Mind Over Matter for GCSE Students

Year 11 had a special guest speaker in on Wednesday to deliver an assembly based on having the right mindset ahead of the upcoming GCSE exams.

Mr Eastham delivered an important message to pupils in September about

how important it is to be positive and believe you can achieve.

Mindset advocate, Rachael Ainsworth, delivered two assemblies for Year 10 and 11 which focussed on getting pupils ready in their minds for their important summer exams.

A Royal Exchange of Drama

On Wednesday night, the Year 11 GCSE Drama students visited Manchester's famous Royal Exchange Theatre to watch 'Suppliant Women'.

The play, written over 2,500 years ago, echoed many of the social and political issues that we find in today's society.

The production is set in the time of Ancient Greece and told the difficult story of women seeking asylum in in the city of Argos, in order to escape forced marriage.

Having watched the play, the students will now produce an essay about all aspects of the performance.

Priory pupils to go back in time?

Does Priory have any families that would like to go back in time and experience life from a different perspective?

The BBC have reached out to local schools in search for families to participate in a brand new series, where those who take part immerse themselves in the lives and diets of working people in Northern England, over the last 150 years.

We know we have pupils who love Food Technology, as well as those who love to study the past in History.

If you or your family are interested, contact backintime@walltowall.co.uk.

Families must have a minimum of 2 children aged 8+.
