

Our Current School Governors

Helen Pratten

Associate Governor

I have a BEd (hons) degree and have been a Primary School teacher for 23 years, working across both key stage 1 and 2.

I have 2 children currently attending Priory Academy, both of whom are enthusiastic in their learning and are fully embracing all the opportunities that Priory offers them. I volunteered to become a governor as I am interested in learning more about the secondary school education system and am keen to support the school as it continues in its endeavours to make Priory first choice.
