

Our Current School Governors

Kevin Burke

**Chair of Governors & Academy Trust,
Chair of Resources Committee and Community Governor**

I am a Chartered Engineer and have enjoyed careers with the Royal Air Force, BAE SYSTEMS, and as Divisional Head at Preston's College. I currently work within policy development at the Department for Education.

I am the Chair of the Board of Governors and a Trustee of the Academy. I have been a governor for over 10 years, two of my children enjoyed a successful secondary education at Priory and now have successful careers. I have a particular interest in the Science, Design & Technology and Mathematics departments within the Academy.

'Being a Governor at Priory is tremendously rewarding – you genuinely feel that you are actively contributing to improving the life chances and choices of the next generation, and I would recommended the role to anyone who would like to help develop young people and the local community'.
