

Our Current School Governors

Michaela Turner

Parent Governor

My name is Michaela Turner, and I am proud to take on the role of Parent Governor for the next few years. I am dedicated to ensuring my child receives a good, well-rounded education and I know that with support from me; my husband and school, she will thrive. I believe in an education which provides positive reinforcement and encouragement to its pupils and would like to have the opportunity to be part of a governing body which can ensure the pupils who attend Penwortham Priory Academy receive the best education and support the school has to offer.

I am an honest, reliable and motivated person with excellent organisational skills. I have worked for BAE Systems for nearly 27 years in many office based roles which mainly provided supporting information to the manufacturing areas and I feel the skills I have learned over these years would be of great benefit to the governing body and the school. One particular role was the Lead Co-ordinator for the site Charity, which at the time was ABF, The Soldiers Charity and a staggering £95000 was raised from fundraising and volunteering events which I and my team of volunteers ran throughout the 18 month period.

I believe children today need to take as many opportunities as they can to be able to learn and grow into responsible adults ready to face the world of work. Penwortham Priory Academy in my opinion is the first step on the ladder to ensure all their pupils achieve their goals.
