

Our Current School Governors

Stephen Grafton

Parent Governor

I am a Human Resources professional with 19 years' experience of managing teams, leadership development and mentoring young people. As well as writing people policy and dealing with performance management issues, I lead annual executive reward processes, and am well practised in having difficult conversations and holding people, including myself, to account.

I have a strong working knowledge of UK employment law, have experience in Learning & Development practices and in developing strategy.

In addition to UK experience, I have lived and worked in Australia and Saudi Arabia which has enabled me to become comfortable in dealing with people from a diverse range of cultures, beliefs and values.

Outside of work I am the coach of Lostock Hall Under 10s Football Club where I enjoy motivating, developing and organising young people.

I'm excited to be given the opportunity to apply my skills and experience wherever possible to improve the Academy's journey that its young students go through. I'm also looking forward to getting a better insight into the running of a high school.
