Dear Parent/Guardian

**RE: GCSE SCIENCE REVISION GUIDES**

I am writing to offer the opportunity of purchasing GCSE Science revision books. The books are offered to schools at a discount compared with the shop prices as we are able to put in bulk orders. The books are compatible with the AQA GCSE specifications that the school follows. I strongly recommend the purchase of the revision books. The science team will be discussing with students how to make best use of them and how to revise effectively.

If you would like to purchase any of these Science revision materials for your child, please complete the order form below and return it to school by **Friday, 27 September** with the correct remittance (cheques should be made payable to 'Penwortham Priory Academy').

If you are unsure of which materials may be of benefit to your child, please ask them to discuss it with their Science teacher or contact me at school by e-mail on [sciencecontact@priory.lancs.sch.uk](mailto:sciencecontact@priory.lancs.sch.uk).

Yours sincerely
